Privacy Act and Burden Statement:

The information requested on this form is solicited under the authority of the National Aeronautics and Space Act of 1958 (51 U.S.C. 20101 et. seq.) The information on this form will be used in connection with the evaluation of qualified proposals. The information requested may be disclosed to qualified reviewers for their opinion and evaluation of applicants and their proposals as part of the NASA application review process; to other government agencies or other entities needing information regarding applicants or nominees as part of a joint application review process, or in order to coordinate programs or policy; or to individual or institutional applicants and award recipient institutions to provide or obtain data as part of the application review process, award decisions, or administering awards. Additionally, information requested may be disclosed to other entities when merging records with other computer files to carry out studies for or otherwise assist NASA with program management, evaluation, or reporting as well as contractors, grantees, volunteers, experts, consultants, advisors, and other individuals who perform a service to or work on or under a contract, grant, cooperative agreement, advisory committee, independent review boards, or other arrangement with or for NASA or for the Federal government. See [NASA Systems of Records Notice](#) (SORN) NASA 100AAR, “Opportunities and Associated Reviewers.”

This information collection meets the requirements of 44 U.S.C. § 3507 as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0279 and this information collection expires on October 31, 2026. We estimate that it will take two (2) hours to read the instructions, gather the facts, and answer the questions. Send only comments relating to our time estimate to: christiane.diallo@nasa.gov.

¹ To be acceptable to NASA, the date of the signature must be within the past 12 months from when the document is submitted to NASA.
